MEMORANDUM FOR RECORD

SUBJECT: Duty Appointment and Delegation of Authority for Radiation Safety Officer

1. Effective 25 March 2013, CPT Douglas Barrickman, MS, Dwight David Eisenhower Army Medical Center (W3QMAA), Fort Gordon, GA 30905-5650 is appointed as the Radiation Safety Officer.

2. Authority: Title 10, Code of Federal Regulations (10 CFR), Part 35.24 (b), (e), and (g), and MEDCOM Regulation 40-42, dated 4 May 2012, paragraph 1-6.o.

3. Purpose: To designate and perform the duties of the Radiation Safety Officer in accordance with MEDCOM Regulation 40-42, paragraph 1-6.o. and also with the authority and responsibilities required in 10 CFR Part 35.24(g).

4. Period: Until officially released or relieved from appointment.

5. Specific Instructions: As Radiation Safety Officer, you will have the responsibility, authority, organizational freedom, and necessary resources to develop and implement the Radiation Safety Program, identify radiation safety problems, initiate, recommend, or provide corrective actions, stop unsafe actions, and verify implementation of corrective actions.

6. Your actions should normally be coordinated through the Radiation Safety Committee. If necessary, you will report any unresolved problems directly to senior management.
