Dear Sir or Madam,

I am writing to request an amendment to the material license for Cardinal Glennon Children's Medical Center, 1465 South Grand Boulevard, St. Louis, Missouri 63104. (NRC License Number is 24-32264-01)

The SSM in St. Louis has hired a full-time, system-wide Radiation Safety Officer and would like him to assume the position of Radiation Safety Officer at Cardinal Glennon Children's Medical Center. This would change the current Radiation Safety Officer from Greg Launius, M.D. to David G. Englehart, M.S. Mr. Englehart has recently been named Radiation Safety Officer for St. Mary's Health Center, 6420 Clayton Road, St. Louis, Missouri 63117 (NRC license number 24-08960-02). Please see attached copy of the St. Mary's license.

Mr. Englehart has been finger printed, and his background check has been reviewed. He is now Trustworthy and Reliable. His contact information is 314-768-8256 or 636-352-9262. His email is david_englehart@ssmhc.com.

If you have any questions regarding this information, please contact me at the address below.

Sincerely,

Greg Launius, M.D., Radiation Safety Officer
