

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

March 20, 2013

Holders of Licenses for Operating
Power Reactors as Listed in the Enclosure

SUBJECT: REMOVAL OF THE SAFEGUARDS INFORMATION DESIGNATION FROM
ATTACHMENT 2 OF ORDER EA-02-261

This letter is to inform licensees that Attachment 2 to Order EA-02-261 has been removed from the safeguards information (SGI) category in accordance with Title 10 of the *Code of Federal Regulations* (10 CFR) Part 73.22(h).

By way of background, on January 7, 2003, the U.S. Nuclear Regulatory Commission (NRC) issued Order EA-02-261, "Order for Compensatory Measures Related to Access Authorization." Order EA-02-261 included Attachment 2, "Compensatory Measures for Access Authorization." Attachment 2 of the Order was designated as SGI in accordance with Section 147 of the Atomic Energy Act of 1954, as amended, and the NRC's applicable regulations set forth in 10 CFR Part 73.21.

On March 27, 2009, the NRC published a final rule in the *Federal Register* amending 10 CFR Parts 50, 52, 72, and 73 ("Power Reactor Security Requirements"). This rulemaking became effective on May 26, 2009. Licensees were required to be in compliance with the final rule no later than March 31, 2010.

The NRC staff determined that the power reactor security rulemaking incorporated all of the requirements set forth in Order EA-02-261. Accordingly, on November 28, 2011, all recipients of the Order were informed that the requirements of Order EA-02-261 were rescinded in their entirety.

The NRC staff has reviewed Attachment 2 to Order EA-02-261 and has determined that the information contained in the attachment no longer constitutes SGI. Based on this determination and in accordance with 10 CFR 73.22(h), the NRC has decontrolled Attachment 2 to Order EA-02-261 and removed it from the SGI category. Accordingly, licensees should follow the guidance, stated in NRC Regulatory Guide 5.79, "Protection of Safeguards Information," Section C, paragraph 9(d), to ensure that the document in their possession is properly marked.

Holders of Licenses for
Operating Power Reactors
