Pending Need for Renewal of NRC License.

(NOTE: This will be used as the
Documents Title in ADAMS)

3/14/2013 (09:57) I left a message on Mr. Colagross' voice-mail to get back in touch with me regarding the pending renewal of the NRC license. (10:10) Mr. Miller called me back on behalf of Mr. Colagross. I explained to Mr. Miller that it appeared that a renewal application had not been submitted to the NRC Region I office and asked him if the licensee had submitted one. Mr. Miller stated that an application had been sent to the Region I office by FedEx on February 28, 2013. I reviewed ADAMS, the WBL database and unprocessed mail and informed Mr. Miller that I could not find a renewal application from the licensee. Mr. Miller agreed to check in with FedEx and determine whether the package had been delivered and, if so, who signed for it and contact me later in the day with the results.
