Subject: Pending Need for Renewal of NRC License.**(NOTE: This will be used as the Documents Title in ADAMS)**

3/14/2014 (09:35 and 12:10) I left a message on Ms. Jones' voice-mail for her to get back in touch with me about the pending need for renewal of the NRC license. (15:15) I was able to speak with Ms. Jones. She was inspected today by Elizabeth Ullrich who provided her on a path forward to determining if the license should be renewed. There is an amendment request in NRC Headquarters to combine the two Canberra E licenses. Ms. Jones is to contact a representative in NRC HQ and determine if the amendment is about ready to be issued or if the licensee should request renewal of its license.
