SUBJECT: DECOMMISSIONING FINANCIAL ASSURANCE

Dear Dr. Musson:

In a letter dated June 18, 2003, we approved a revised Statement of Intent (SOI) dated March 13, 2003, which replaced the SOI dated February 7, 1997, which was provided in support of the financial assurance for decommissioning. At the time of the approval of the revised decommissioning financial assurance instrument, we cancelled and returned the previously submitted SOI dated February 7, 1997. In reviewing our files we have identified a second copy of the SOI dated February 7, 1997, that was not returned to you. Therefore, we are cancelling and returning the enclosed previously submitted SOI dated February 7, 1997.

In accordance with Title 10 of the Code of Federal Regulations (CFR) 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact Jennifer L. Bishop of my staff at 630-829-9607.

Sincerely,

/By Kevin G. Null Acting For/
