John,

As per our phone conversation, this is to confirm that Barrick does not separately report amortization and depletion. We only report depreciation (which can be found in note 17(b) on page 148 of our 2011 Annual Report), which includes depreciation, amortization and depletion. Therefore line #8 of the financial test does not require any amendment as the reported depreciation amount of \$1,419 includes all three.

If you have any further questions, please let me know.
