Re: NRC License No. 47-17517-02

*030-15246*

Dear Sirs:

We are requesting an amendment to our current NRC license no. 47-17517-02 to increase the number of nuclear gauges from two to four. We have recently purchased a third gauge and are considering buying a fourth. We need this amendment in order to stay in compliance with NRC regulations.

Please let me know if more information is needed.

Sincerely,

Robert E. Leigh  
Vice President
