Hello Margaret,

I'm forwarding your request to Haimanot Yilma at the NRC so that your confirmation comes directly from the lead federal agency for this project.

Haimanot, Margaret needs a reply stating that NRC received confirmation from the Cheyenne and Arapaho Tribes of Oklahoma that they will be sending representatives to participate in the tribal survey at Dewey Burdock during the month of April. Would you please send her a message of confirmation?

Good Afternoon, Randy. I need a favor from you. Treasury Office will not sign off on our travel authorizations (which we need since we will be away from our jobs) until they have a confirmation from you that I did contact you by phone on March 12, to inform you that we plan on participating. The dates that we selected are the during the week of April 22 through the 26th. Could you please send a confirmation to me? Thank you for your assistance.
