Subject: Acceptance Review Results for Davis-Besse 10 CFR 50.55a Requests RP-6 (TAC No. MF0755) and RV-1 (TAC No. MF0754) Regarding Inservice Pump and Valve Testing

March 13, 2013

Phil Lashley
Licensing Supervisor
Davis-Besse Nuclear Power Plant, Unit No. 1
FirstEnergy Nuclear Operating Company

Dear Mr. Lashley,

By letter L-13-067 dated February 27, 2013 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML13059A321), FirstEnergy Nuclear Operating Company (FENOC, the licensee) submitted Title 10 to the *Code of Federal Regulations* (10 CFR) 50.55a requests, RP-6 and RV-1, regarding inservice pump and valve testing for the Davis-Besse Nuclear Power Plant, Unit 1 (DBNPS). These proposed requests support DBNPS's fourth 10-year inservice and testing program for pumps and valves. This acceptance review is for RP-6 and RV-1 only.

The purpose of this e-mail is to provide the results of the U.S. Nuclear Regulatory Commission (NRC) staffs acceptance review of this application. The acceptance review was performed to determine if there is sufficient technical information in scope and depth to allow the NRC staff to complete its detailed technical review. The acceptance review is also intended to identify whether the application has any readily apparent information insufficiencies in its characterization of the regulatory requirements or the licensing basis of the plant.

Pursuant to 10 CFR 50.55a(a)(3)(i), the applicant shall demonstrate that the proposed alternatives would provide an acceptable level of quality and safety.

The NRC staff has reviewed your application and concluded that it does provide technical information in sufficient detail to enable the staff to proceed with its detailed technical review and make an independent assessment regarding the acceptability of the proposed requests in terms of regulatory requirements and the protection of public health and safety and the environment. If additional information is needed for the staff to complete its technical review, you will be advised by separate correspondence.

If you have any questions, please contact me. A copy of this email will be made publicly available in ADAMS.

Docket No. 50-346

Sincerely,

Michael Mahoney
