

May 31, 2011

Ms. Charlissa C. Smith

Dear Ms. Smith:

I am acknowledging your letter, received by this office on May 24, 2011, requesting an informal Nuclear Regulatory Commission staff review of our proposed denial of your Senior Reactor Operator license application. We will review the information and the material you provided and inform you of our decision.

Please be advised that the informal review is described in Section ES-502.D of the Examination Standards (NUREG-1021). The review process encompasses reconsideration of grading of the identified examination items and may also include consideration of the items by a multi-person board selected from other regional offices and headquarters staff. We endeavor to complete the review process in a timely manner, typically within 75 days.

Sincerely,

Frederick D. Brown, Director */RA/*
Division of Inspection and Regional Support
Office of Nuclear Reactor Regulation
