SUBJECT: Request for Additional Information - Sealed Source and Device Registration
Certificate and Amendment to Exempt-Distribution Materials License

Dear Ms. Spykerman:

This letter is in response to your application dated December 20, 2012 for a sealed source and device registration certificate for a new model of fixed blade knife and the associated amendment to your exempt-distribution materials license no. 21-26460-02E. A review of your application indicated that it lacks required information to complete our safety review and evaluation. In the enclosure to this letter, we have summarized the issues that need to be addressed.

Please submit the requested information within thirty days of the date of this letter. If we have not received complete information within thirty days of the date of this letter, we will consider your application as having been abandoned by you. This is without prejudice to the submission of a complete application.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Any correspondence regarding your amendment application should reference the control number specified above.
