Subject: NRC's Comments on the SRS FTF Closure Module for Tanks 5F and 6F
Attachments: v25n02.pdf; NRC Comments on SRS FTF Tanks 5F and 6F Closure Module.docx

Bridget Clarke,

The 1st attachment to this e-mail indicated:

- 30-day SCDHEC public comment period for the SRS FTF Closure Module for Tanks 5F and 6F (<http://www.dhec.sc.gov/environment/water/egpnbow.htm> - under the heading, *SRS Tanks 5F and 6F Closure Module*) that began on February 20, 2013, and ends on March 22, 2013
- to provide public comments, please do so in writing by March 22, 2013, to Bridget Clarke, SCDHEC/Water, 2600 Bull St., Columbia, SC 29201-1708 or by e-mail to: clarkebm@dhec.sc.gov
- public comments will be considered in SCDHEC's final decision

Please see NRC's Comments on the SRS FTF Closure Module for Tanks 5F and 6F in the 2nd attachment to this e-mail.

Thanks,
Harry Felsher, 301-415-6559
