In Re: Amendment to Radioactive Material License No. 47-17567-01 030-12977
Weirton Medical Center

Gentlemen:

030-36183 → We are in the process of taking control of Stateline Cardiac Imaging (NRC RAM: 47-25614-01) at 485 Colliers Way, Suite L, Weirton, WV 26062. They will be terminating their license. Concurrent to the termination of their license, we would like to add their site to our license as an area of radioactive materials use. We will take possession of all radioactive materials on-site and we agree to receive the premises in an as-is condition.

If you have any questions, please do not hesitate to contact Janice Bable, Director of Radiology at Weirton Medical Center, at (304) 797-6058.

Very truly yours,

David Artman, M.B.A.
Director of Operations
