In the Matter of  
Charlissa C. Smith  
(Denial of Senior Reactor Operator License)  
Docket No. 55-23694-SP

Dear Administrative Judges:

This letter regards the Atomic Safety and Licensing Board's March 20, 2013 Order and the NRC Staff's March 21, 2013 initial hearing file disclosures. In its Order, the Board instructed the Staff to submit any documents pending disclosure due to Privacy Act concerns no later than April 4, 2013. This instruction followed an oral motion by the Staff for a two-week extension of the deadline to submit such documents and the Board's oral grant of that motion.

The NRC Staff wishes to inform the Board that its March 21, 2013 submissions include all documents required to be disclosed at this time. Consequently, while the NRC Staff appreciates the Board's indulgence, the Staff does not in fact require the two-week extension granted by the Board for documents pending disclosure due to Privacy Act concerns.

Sincerely,

***Signed (electronically) by***
