Request for a copy of Notification w/o personal names

**(NOTE: This will be used as the  
Documents Title in ADAMS)**

2/8/2014 I spoke with Ms. Kezos about the annual notification required by the license about the licensee's nuclear powered pacemaker activity over the past year. I asked her to resubmit the notification because Attachment D contained information which could be considered PII. She agreed to resubmit the notification and replace the names with the pacemaker ID numbers.
