MEMORANDUM TO: James Flanagan, Director
Office of Information Systems

Thomas Rich, Director
Computer Security Office

FROM: Kathy Lyons-Burke **/RA/**
Senior IT Security Officer for Policy, Standards, and Training

SUBJECT: ENTERPRISE SECURITY ARCHITECTURE WORKING GROUP
CHARTER

Enclosed for your review and approval is the Enterprise Security Architecture Working Group (ESA-WG) Charter and the ESA-WG Membership Appointment Memo Template. The ESA-WG has been created as an agency-wide working group to identify and document enterprise security architecture requirements for NRC information technology implementations. These requirements will serve to inform development of an NRC enterprise architecture that identifies solutions for the NRC environment. Agency-wide representatives have voted to approve the charter.

If found acceptable, please sign your name and date your signature in the approvals section found on the first page of each document.

Thank you for your consideration and support.
