Subject:

Amersham/Sentinel/QSA Global Model 660 Type B(U) Certification Expiration

(NOTE: This will be used as the
Documents Title in ADAMS)

I called Mr. Branch to inquire if he was aware that the Model 660 Type B(U) certificate was not being renewed and therefore expired on June 30, 2013.

He stated that he was aware of the expiration and has some 660's for in-house use only. They already have the 880's listed on their license so no amendment will be necessary.

I thank him for his time and ended the call.
