Ujagar,

RC 651445, Eastern Associated Coal also has a specific license. During a recent inspection, the inspector identified some typos in GLTS. Please correct the following devices' model numbers from SA1-C10 to SA1-C5. All other information is correct.

### Device Key

719465  
719466  
719467  
719468

Additionally, the licensee should be preparing a letter to send you to transfer the devices to their specific license. They are already authorized to possess these devices under their specific license.
