NUCLEAR REGULATORY COMMISSION  
ADVISORY COMMITTEE ON REACTOR SAFEGUARDS  
WASHINGTON, DC 20555 - 0001**

April 15, 2013

MEMORANDUM TO: R. W. Borchardt  
Executive Director for Operations

FROM: Edwin M. Hackett, Executive Director /RA/  
Advisory Committee on Reactor Safeguards

SUBJECT: PROPOSED REGULATORY GUIDE DG-7009

During the 603<sup>rd</sup> meeting of the Advisory Committee on Reactor Safeguards (ACRS), April 11-12, 2013, the Committee considered proposed draft Regulatory Guide (DG) -7009, "Establishing Quality Assurance Programs for Packaging Used in Transport of Radioactive Material," and decided not to review it. The Committee has no objection to the staff's proposal to issue this Guide for public comment but would like an opportunity to review the draft final version of this Guide following the public comment period. No response to this memorandum is required.
