Subject: Uranerz Jane Dough Unit LOI 15Apr13
Attachments: Jane Dough LOI 15Apr13.pdf

All,

Attached is a revised letter of intent for your records regarding the estimated submittal date of the Uranerz Jane Dough Unit amendment to the Nichols Ranch ISR Project. The estimated submittal date has been changed from the second quarter 2013 to the fourth quarter 2013. A hard copy of this letter has also been sent to the NRC Director of the Office of Federal and State Materials and Environmental Management Programs.

Please let me know if you have any questions regarding this issue. I can be reached by phone at 307-232-6673 or by email at: mthomas@uranerz.com.

Thanks,

Mike

Re: Uranerz Energy Corporation Revised Letter of Intent to Submit an Amendment to the Nichols Ranch In Situ Recovery Project SUA-1597 for the Jane Dough Unit.

Dear Mr. Satorius:

Uranerz Energy Corporation (Uranerz) submitted a letter of intent to the Nuclear Regulatory Commission (NRC) in November 2012 for the amendment of the Jane Dough Unit to the Nichols Ranch ISR Project SUA-1597. The letter stated the amendment was scheduled for submittal in the second quarter of 2013. Because of various regulatory delays, Uranerz is revising the submittal date of the Jane Dough Unit amendment to fourth quarter of 2013.

Details described in the November 2012 notice regarding the Jane Dough Unit remain the same. The Jane Dough Unit will produce uranium by the ISR method and be located in the Pumpkin Buttes Mining District of the Powder River Basin, Wyoming. The project will consist of wellfields with associated header houses that will pump mining solutions via pipelines to the Nichols Ranch Central Processing Plant for processing. The permit boundary for the Jane Dough Unit is directly south and contiguous with the Nichols Ranch Unit. The Jane Dough Unit will cover all or portions of the following areas: Township 43N, Range 76W Sections 20, 21, 27, 28, 29, 30, 31, 32, 33, and 34.

If you have questions, please contact me at 307-265-8900 or by email at: mthomas@uranerz.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Thomas", is written over a horizontal line.

Mike Thomas
