Subject: FYI: Receipt of New Jersey proposed regulations to incorporate RATS IDs: 2009-1, 2011-1, 2011-2, 2012-2, 2012-3 and 2012-4

Dear Ms Gardner:

The Office of Federal and State Materials and Environmental Management Programs has received your April 16, 2013, letter transmitting the New Jersey proposed regulations to incorporate RATS IDs: 2009-1, 2011-1, 2011-2, 2012-2, 2012-3 and 2012-4. The review has been assigned to Monica Orendi and it is our goal to complete the review within 60 days.

In addition, per my conversation with Jenny Goodman on April 18, 2013, New Jersey has not made any changes to their equivalent regulations to §31.5 and §31.6 since becoming an Agreement State in 2009. We will also indicate on the New Jersey State Regulation Status data sheet that RATS ID 2012-1 has been addressed as a final regulation.

If you have any further comments or questions, please contact me. Thank you for your attention.
