2012 Annual Exposure Report - Form 5s

In accordance with the requirements of 10 CFR 20.2206, NextEra Energy Duane Arnold, LLC has submitted an electronic copy of the Annual Reports of Radiation Exposure for persons who received occupational exposure at the Duane Arnold Energy Center during 2012. This information was submitted in March 2013 via the REIRS web page. A summary report from Oak Ridge Associated University was received on April 3, 2013. Neither errors nor warnings were identified, and the total dose and dose distribution in the report were as expected.

Questions regarding this matter should be directed to Thomas R. Byrne, Licensing Manager, at (319) 851-7929.
