Roger, the staff is unable to commit to being done by 1pm without seeing the amount of documents first.

Nate,

Westinghouse are booking flights – do you think that if the audit goes into the 25<sup>th</sup> they will be able to leave the office by about 1pm?

Nate,

The full address of the Westinghouse office with telephone number is:

12300 Twinbrook Parkway, Suite 150  
Rockville, MD 20852  
Phone 1-301-881-7040

Westinghouse will be represented by Bradford Grimm and Kari Szveda.

Entergy will be represented by Nelson Azevedo.

Entergy and Westinghouse will be supporting the 24<sup>th</sup> and the 25<sup>th</sup> if necessary. Start time is confirmed as 8:30 am and any finish time convenient to the NRC is acceptable.

Roger, we can support the 24<sup>th</sup>. The reviewer expects to be able to complete the review in one day, but can't guarantee without the documentation in front of him. He is available both the 24<sup>th</sup> and 25<sup>th</sup>. Please let me know if extending to a second day will cause significant issues and we can work to provide a more accurate estimate.

I will need some more details (e.g., full address of office, planned start/finish times) to put a formal audit plan together. I propose an 8:30 start time with a flexible but NLT (1600?) time. Please let me know what hours your team can support.

Thanks,

Nate

Nate,

I am following up for Adi Irani on an NRC request to support the subject review - Westinghouse and Entergy can support a meeting in Washington on either the 23<sup>rd</sup>, the 24<sup>th</sup> or the 25<sup>th</sup> of April with a preference for the 24<sup>th</sup> if possible.

Please let me know if the NRC can support one of these dates. Also please confirm whether this is a one day or a multiple day review.

Thanks,
