Docket No. 40-08027-EA

SERVED DEC 10 1996

ORDER

By motion dated December 5, 1996, the NRC Staff requested an extension of time to file an answer to the State of Oklahoma's "Petition for Review and Request to File Brief" (with respect to LBP-96-24) dated November 25, 1996. On December 6, 1996, counsel for General Atomics requested an extension of time to answer the petitions of the Intervenors and the State of Oklahoma. Staff counsel has advised that the State of Oklahoma does not oppose Staff's request.

The motions of Staff and General Atomics are for extensions of short durations and will be granted. Accordingly, pursuant to my authority under 10 CFR Sec. 2.772(b), the time in which all parties may answer the petitions for review of the Intervenors

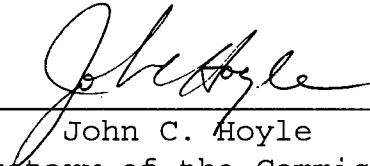

SECY-048

and the State of Oklahoma is extended to December 16, 1996.

IT IS SO ORDERED.
