RE: PAH P&U LLC name change
Radioactive Materials License 21-00182-03

Dear Mr. Reichhold:

On February 1, 2013 Pfizer Inc. announced an initial public offering of a minority ownership stake in Zoetis Inc., formerly Pfizer's animal health business unit, which operates under various names including PAH P&U LLC. Zoetis now operates as an independent company and is rebranding the Pfizer Animal Health business as Zoetis.

As a result, on April 15, 2013 PAH P&U LLC, the licensee for NRC radioactive material license number 21-00182-03 and a subsidiary of Zoetis, has changed its name to Zoetis P&U LLC. Thus, we hereby request that NRC byproduct materials license 21-00182-03 be amended to reflect that PAH P&U LLC now is Zoetis P&U LLC.

Please note that there has been no change in operations or ownership of the site as a result of this name change and that we are in the process of updating our financial assurance mechanisms to reflect this name change.

If you have any questions, please contact me at (269) 833-9364.

Sincerely,

A handwritten signature in black ink that reads "Timothy L. Popp".
