Docket No. 72-1014
Certificate of Compliance (CoC) No. 1014

Subject: Holtec International Topical Report HI-2125263R0, Dynamic Analysis of a Freestanding Cask Stack Subject to a Postulated Earthquake

References: [1] Letter 5014747 from Holtec (T.Sensue) to NRC (Mark Lombard) dated January 24, 2013

Dear Mr. Huang:

Holtec submitted Topical Report HI-2125263R0, Dynamic Analysis of a Freestanding Cask Stack Subject to a Postulated Earthquake on January 24, 2013 [1]. Holtec has determined that it would be beneficial to add further technical details and information to this report. Holtec therefore herewith withdraws the current version of the topical report and requests that the NRC provide any review comments and observations generated so far. We will provide a date for re-submittal of the report after reviewing your comments.

If you have any questions, then please contact me at (856)-797-0900 ext. 3659.

Sincerely,

P. Stefan Anton
Acting Licensing Manager
Holtec International
