Subject: Freedom of Information and Privacy Act Request

Dear Ms. Natalie Brown,

Alliance Solution Group (ASG), Inc. is seeking access to records under the Freedom of Information Act and the Privacy Act. ASG is a small, service-disabled, veteran-owned business that offers homeland security solutions to federal, state, and local government agencies as well as private industry.

ASG is currently under contract by San Miguel County, NM to update the County Emergency Response Plan. In order to complete the assessment, we need to identify and quantify any information on radioactive materials stored/used within 20 miles of the County. We are requesting information on the companies or businesses that currently have radioactive material licenses/permits within the counties of San Miguel, Los Alamos, Santa Fe, Guadalupe, Quay, Torrance, Harding, and Mora. If possible, please provide a copy of the license/permit indicating the specific isotope and maximum activity authorized for each item. This information can be provided electronically (CD) if available. If any information is to be withheld, please notify me and ASG will request the County file a separate request.

ASG is willing to pay the applicable fees, if any, associated with processing our FOIA and PA request. If you need any additional information, please contact me at (b)(6). Thank you.

Sincerely,

Robert K. Campbell, PE
President
