Chris,

I have looked into this and discussed with David Sokolsky. Your assumption is correct. The reference in TS 5.1.1.d should be to TS Section 5.1.1.b.

We are in the process of entering into the corrective action program. Please contact me if you have any additional questions.

Thanks,

While looking at the Technical Specifications for License No. SNM 2514, I found a reference to 5.5.1b in the Administrative Controls Section on page 5.0-1. Because I was unable to find a 5.5.1.b in the Technical Specifications, and because of the wording at which the reference to 5.5.1.b occurs in the Technical Specifications, I assume the reference should be 5.1.1.b. Please confirm or correct my assumption by May 10 if possible.

Thanks, Chris Allen
