Subject: FW: MF1438 – KPS - Request for exemption from 10 CFR 50.82(a)(8)(i)(A) and 50.75(h)(1)(iv) - Acceptance Review Results

By letter dated April 4, 2013, Dominion Energy Kewaunee (DEK) submitted a request for exemption from 10 CFR 50.82(a)(8)(i)(A) and 50.75(h)(1)(iv), Agencywide Documents Access and Management System (ADAMS) Accession Number ML13098A031, pursuant to 10 CFR 50.12.

The requested exemption from 10 CFR 50.82(a)(8)(i)(A) would allow DEK to use funds from the Kewaunee Power Station (KPS) decommissioning trust fund (Trust) for irradiated fuel management, consistent with the KPS updated Irradiated Fuel Management Plan and Post-Shutdown Decommissioning Activities Report (PSDAR).

The requested exemption from 10 CFR 50.75(h)(1)(iv) would allow DEK to use funds from the KPS decommissioning trust fund (Trust) for irradiated fuel management, also consistent with the KPS updated Irradiated Fuel Management Plan and Post-Shutdown Decommissioning Activities Report (PSDAR) and additionally allow Trust disbursements for irradiated fuel management activities to be made without prior notice, similar to withdrawals in accordance with 10 CFR 50.82(a)(8).

NRC staff has reviewed your application and finds that (1) an exemption is needed for the action that you seek, and (2) your application is acceptable for review. If further information is needed to review your application, we will contact you.
