Ms. Simmons;

Please see attached letter which ties in to the message I left today for GE Healthcare RAM license 24-32462-01MD. Wish to be able to utilize Mr. Martin as an AU as quickly as possible. Mr. Martin was listed on Amendment 15 as an AU and then retired. Due to personal changes, one pharmacist left and one on maternity leave.

Places site in position to fly in people to cover. The addition of Mr. Martin back to the license as an AU, to help cover, as soon as possible, would be greatly appreciated.
