RE: Mail Control No. 580-485
NRC License Re-application
License No. 07-17431-01
Duffield Associates, Inc.
Wilmington, Delaware

Dear Mr. Reichard:

We have prepared this correspondence to clarify the information provided in our re-application for NRC materials license dated April 11, 2013, as per your verbal request during a telephone conversation on May 17, 2013.

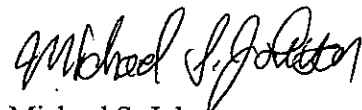

Radiation Safety Program – Survey Instruments: Duffield Associates will continue to possess and use a radiation survey meter capable of detecting gamma radiation that meets the Criteria in the section titled, “Radiation Safety Program – Instruments,” in NUREG-1556, Vol. 1, Rev. 1, dated November 2001, including the performance of an annual calibration by a certified outside vendor.

Radiation Safety Program – Material Receipt and Accountability: Duffield Associates will continue to conduct a physical inventory at intervals not to exceed six (6) months, to account for all sealed sources and devices received and possessed under the license.

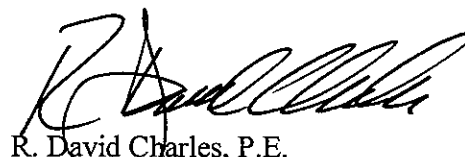

Please contact us if you require additional information.

Very truly yours,

DUFFIELD ASSOCIATES, INC.
