Rocky,

NINA will be sending a letter to the NRC accelerating submittal date for the Holtec Topical Report on Spent Fuel Rack to the date that you mentioned.

ML063330091 is a copy of an NRC report on validation of EZ-FRISK in 2006, which appears to supersede the validation ML043440352 in 2004.

NRC contract records does indicate that the NRC purchases an EZ-FRISK license every year and is scheduled to renew the license in 2014.
