Mr. Shelton,

This refers to your license amendment request dated April 24, 2013. You requested that adding two distribution locations in the state of Maryland. In order to continue our review, we need the following additional information:

10 CFR 30.33 requires you to apply for and obtain a specific license authorizing possession and use of radioactive material (Na-22) from the state of Maryland or from wherever licensed material will be possessed. Please submit a copy of your current Maryland possession license.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this email, we will assume that you do not wish to pursue your application.

Sincerely,

Shirley Xu
