Dear Sir/Madam:

At the recommendation of Ms. MacPherson of the U.S. Department of Labor (See attached) we are filing this FOIA request with your office. This law firm represents approximately twenty employees who worked for C. J. Coakley & Co. installing drywall at the NRC building at 11601 Landsdown St., a Davis Bacon Act site on Rockville Pike, North Bethesda, Md. This is a followup to my January 9 correspondence to Mr. Dory of the Department of Labor requesting certain information and documents. I am now requesting that you provide this information under the Freedom of Information Act 5 USC Sections 552 et.seq. I am specifically requesting the following information.

- 1) A copy of the prime contract for the NRC building at 11601 Landsdown St. in North Bethesda, Md.
- 2) A copy of the RFP soliciting the prime contract identified above.
- 3) A copy of any subcontracts issued to C.J. Coakley & Co. or any other entity to install/finish drywall in that building.
- 4) A copy of any RFP for this subcontract if different from the RFP for the prime contract.
- 5) The date of the prime contract and subcontract identified above unless contained on the contract.

We are prepared to pay any copy costs and reasonable research fees associated with this request once you advise of same. Thanking you in advance for your anticipated cooperation.

Sincerely Yours,

Clifford Scharman
