Submitter Information

Name: Judy Kulp
Address:
503 Rosehill Pkwy
North Cape May, New Jersey, 08204
Submitter's Representative: N/A
Organization: None
Government Agency: N/A

General Comment

I am an ordinary citizen who believes we have the right to live as comfortably as possible. This means to be able to heat or cool our homes with an affordable source that doesn't kill us. Nuclear power has never been nor ever will be affordable, monetarily or environmentally. Give up the ghost; keep San Onofre closed and go to solar and wind. It's the responsible thing to do. Thank you.
