Document: NRC-2013-0070-DRAFT-0201

Comment on FR Doc # 2013-08888

4/16/2013
78 FR 22576
(293)

Submitter Information

Name: Bill Tuohy

Address:

3420-1E Calle Azul
Laguna Wods, CA, 92637

General Comment

You are hereby respectfully requested to keep the San Onofre Nuclear Generating Station off line until proper and fully disclosed repairs are done and transparency is ensured. Something was wrong, there was venting as a result, and we do not know why.

The plant is SAFE in shutdown mode, especially for those of us who live hearby.
