Submitter Information

Name: Mark Babski

Address:

2340 South Ola Vista

San Clemente, California, 92672

Organization: Resident living near the San Onofre power plant

General Comment

Please do NOT restart the San Onofre nuclear power plant. It's not nearly safe enough, especially for those families, like mine, that are a short couple of miles from the nuclear power plant. We are innovative and smart enough to meet our electricity needs without the San Onofre plant.
