General Comment

I am the son of an atomic camp Pendleton san-Diego marine drafted, a 6 th generation Utahan, my father was human experimented in the Nevada test site and died in the prime of his life in incredible physical and mental condition of aml leukemia, I have aml leukemia, now, as I fight from my life, I attended the public hearing earlier this year and was stone walled by the N.R.C. and refused to let me speak, that s o.k.

POST IGNORANCE, as I HAVE truth on my side, YOU HAVE disrespect, for my dead semper fi father and my family, and of course my children, as YOU have no Honor, no logic, no integrity, KEEP blackballing me, as I have honor I have dignity I have the truth with me, you have none, SONGS IS A lie, as I went to the parking lot and witnessed the corruption fist hand and spook and talked with the fake Union workers you bused in, a JOKE beyond believe. YOU showed me your true colors.

“Don’t try to run I can keep up with you”

Semper fi kevin d. blanch as I live to tell as I was given 2 MThs to live 19 MThs ago, as you treat me like you treated my father and widowed mother like a SONG. Form the beach causation to, thereof environmental HUMAN experimental, cultural damage, like a fuckushima dead sea-lion on YOUR BEACH. S.O.N.GS. an experiment, with no accountability,

Furthermore my question to you, HOW DO YOU explain the parking the old generator in my back yard HERE in the bankrupt energy solutions, corrupted clean harbors, site with no containment vessel, JUST MORE nuclear waste on a bunch of down winders, to suck up,, a shell game, WHERE AND WHEN WILL YOU Address the fact that Allison McFarland is a placement to say no to YUCCA mt. SO O.K. NO yucca MT.

Then simple GIVE US YOUR ANSWER TO THE WASTE.
