Subject: Submittal of Integrated Initial License Training Examination Materials

Dear Mr. Casto:

Enclosed are the examination materials Byron Station is submitting in support of the initial license exam scheduled April 29 – May 10, 2013 at Byron Station.

This submittal includes the Senior Reactor Operator and Reactor Operator Written Examinations, Job Performance Measures and Integrated Plant Operation Scenario guides.

These examination materials have been developed in accordance with NUREG-1021, Revision 9, Supplement 1 "Operator Licensing Examination Standards." Please note that reference materials are attached to each individual examination question or item.

Some minor modifications have been made to the integrated Examination Outlines in order to improve balance and content. These changes improve examination quality and are in compliance with NUREG-1021, Revision 9, Supplement 1, "Operator Licensing Examination Standards."

Some modifications or adjustments to the examination material may be required due to procedural changes.

In accordance with NUREG-1021, Revision 9, Supplement 1, Section E-201, please ensure these materials are withheld from public disclosure until after the examinations are complete.
