Subject: 2013-05-15 COLA Status Conference Call - Additional Topics

Steve,

I forgot to mention some additional items we might discuss today:

- Any action items from ACRS
- Status of submitted discs
- DCWG goals
- Discussion on Containment surveys/sampling frequency after the status call

Here is my latest suggestion re DCWG goals:

- NRC - Issue Chapter 6 and 9 SEs before 8/15/13
- NRC - Address (e.g., close, make confirmatory, etc.) all "In Evaluation" questions greater than 90 days old and in the category of under NRC review (not tied to DCD, do not need additional input from Luminant, not linked to Fukushima or not delayed by another outside issue) and address all questions statused as Unresolved-Closed without follow-up
- Luminant – submit COLA update to address Fukushima lessons learned by 8/30/13.
- Luminant – submit remaining ISCP and IHCP products by 9/30/13

Thanks,

Donald R. Woodlan
