I, Taylor D. White, Town Clerk of the Town of Sandwich, hereby certify that the below stated Article 25 and Vote taken thereon is a true record from the Annual Town Meeting held in Sandwich on May 6, 2013.

## **ARTICLE 25**

Whereas, Massachusetts Emergency Management Agency (MEMA) Director Kurt Schwartz has acknowledged that Cape residents and visitors are "in harm's way" in the event of a radiological accident at the Pilgrim Nuclear Power Station in Plymouth;

Whereas, MEMA has determined that Cape residents and visitors will not be evacuated but plans to relocate Cape citizens after exposure to dangerous radioactive materials released in an accident;

Whereas, citizens of the Town of Sandwich find this State response to Pilgrim's threat to our health and safety unacceptable and in violation of the public trust;

Therefore, be it resolved that we the people of Sandwich respectfully request Governor Deval Patrick to call upon the Nuclear Regulatory Commission to uphold their mandate to shut Entergy's Pilgrim Nuclear Power Station in Plymouth because the public safety, particularly Cape and Islands residents and visitors, cannot be assured.
