Subject: Invoice Discrepancy With Nor Arapaho

Hi Karla

We have a bit of a discrepancy between the mileage reimbursement request for Northern Arapaho Tribe's invoice and the Respec's expense sheet. Please note that respect has them at 604 miles traveled with 1 car and the invoice has them at 971 miles with 3 cars. Needless to say that is quite a difference in cost. Can we get any clarification?

Thanks
