Dear Ms. Hjalmarson:

This is to acknowledge receipt of your letter dated May 10, 2013 to Chairman Allison Macfarlane concerning safety at the San Onofre Nuclear Power Plant. As you may be aware, on June 7, 2013 Southern California Edison announced plans to permanently retire Units 2 and 3 at San Onofre Nuclear Generating Station. With this announcement, the NRC is refocusing efforts on decommissioning activities.

Sincerely,
