Dear Mr. Calderon:

This is to acknowledge receipt of your letter dated May 6, 2013, to Ms. Jennifer L. Bevan, in which you copied Chairman Allison Macfarlane concerning restart of the San Onofre Nuclear Generating Station, Unit 2. Thank you for the information. As you may be aware, on June 7, 2013 Southern California Edison announced plans to permanently retire Units 2 and 3 at San Onofre Nuclear Generating Station. With this announcement, the NRC is refocusing efforts on decommissioning activities.

Sincerely,
