**Subject:** Peach Bottom Request for Exemption

Hello – Staff performed an acceptance review of your request for exemption dated May 23, 2013, “Exemption Request for Transnuclear TN-68 Casks Loaded with Fuel Bundles with Incorrect Cooling Times,” to determine if the request contains sufficient technical information in scope and depth to allow the staff to complete a detailed technical review. The exemption request appears to contain the information needed for our technical review, and has been accepted for review.

We will send you an acceptance letter containing a proposed schedule, shortly. If you have any questions, please contact me at (301) 287-7193 (note new phone number), or John Nguyen at (301) 287-9202.

Thank you – Jennifer Davis
