Subject: FYI: Receipt of Texas legislative bills affecting state radioactive material regulations

Dear Mr. Maguire:

The Office of Federal and State Materials and Environmental Management Programs has received the June 24, 2013, e-mail from Hans Weger transmitting legislation affecting Texas Commission on Environmental Quality program. Per discussions with Hans Weger on June 26, 2013, we will be reviewing these laws to evaluate their impact on your Agreement State program.

The review has been assigned to Dennis Sollenberger and me and it is our goal to complete the review within 60 days.

If you have any further comments or questions, please contact me. Thank you for your attention.
