Mr. Jack Crawford  
Radiation Safety Officer  
The Curators of the University of Missouri  
Environmental Health and Safety  
8 Research Park Dev Building  
Columbia, MO 65211

Dear Mr. Crawford:

On April 1, 2013, we mistakenly cancelled the University's Statement of Intent (SOI) for decommissioning financial assurance dated October 8, 2004. The error occurred when we were processing a new SOI for the university's Rolla campus, and we inadvertently cancelled and returned your October 8 SOI to the Rolla campus.

As a result of the error, you submitted a replacement SOI dated June 6, 2013. We have completed our review of the replacement SOI for NRC license number 24-00513-32. Within the scope of our review, the decommissioning financial assurance instrument was found to be acceptable.

Enclosed is the cancelled October 8, 2004, SOI for your records. We appreciate the attention that you have given to this matter, and apologize for any inconvenience it may have caused you.

In accordance with Title 10 of the *Code of Federal Regulations* (CFR) 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the U.S. Nuclear Regulatory Commission (NRC) Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact Kevin Null of my staff at (630) 829-9854.

Sincerely,
