The image displays a control panel for a simulator, featuring four pressure gauges and a control unit. The gauges are labeled IPI-455A, IPI-456, IPI-457, and IPI-458, with corresponding Roman numerals I, II, III, and IV. Each gauge has a scale from 1800 to 2400. The control unit on the left is labeled IPI-455A and includes a 'PRZR PRESS CONT' indicator, 'AUTO' and 'MAN' buttons, and directional arrows. The gauges show pressure levels around 2000-2200. The control unit has 'AUTO' and 'MAN' buttons and directional arrows.

Gauge ID	Label	Scale Range	Current Reading (Approx.)
IPI-455A	I	1800 - 2400	2000
IPI-456	II	1800 - 2400	2000
IPI-457	III	1800 - 2400	2000
IPI-458	IV	1800 - 2400	2000
