SUBJECT: NRC INSPECTION REPORT NO. 03033129/2013001, HARRISON POWER STATION

Dear Mr. Kotsenas:

This letter refers to your June 25, 2013, correspondence, in response to our April 18, 2013, letter. Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

You stated in Attachment 2 to your letter that you plan to develop a dedicated Radiation Safety Program. The documents referenced in Condition 24 (Amendment No. 05) of your license include the currently approved radiation safety procedures. Please be reminded that any significant changes to these approved radiation safety procedures may require an amendment to your license before their implementation.

Please feel free to contact Sattar Lodhi at (610) 337 5364, if you have any questions regarding this letter. Your cooperation with us is appreciated.

Sincerely,
